

Fall Registration 2010

Steps to Fall Registration:

1. Fill out the Pre-registration form below. This will save you a spot in our fall semester classes. This does not fully register you in any classes, just reserves your spot. No money is required to reserve your spot, just the form.
2. If you would like us to enroll your child in a class for fall and send you the information, please make sure the form below is fully completed and that the box is checked. We do not charge a fee in the fall to re-enroll if you are already a student at THSD.
3. If you would rather register your child for fall classes in person, please attend one of the following registration dates:

Friday July 23rd from 2-5 pm
 Friday July 30th from 2-5 pm
 Monday August 2nd from 10- 2pm
 Saturday August 14th from 10 - 2pm

(Please note that if you did not fill out a pre-registration form to reserve a spot for your child for fall semester, classes times may be limited when you come to register.)

4. Please do let us know if you will not be returning for the fall semester by checking the box on the form below.

Thank you for your assistance!
