### Modern Dance for Juniors (8 to 12 year olds)

This program is similar to our modern class that we offer for senior level students (13+) throughout the year, but broken down for a younger audience. We will explore elements of space, time, and energy and create choreography using various choreographic elements we learn through the week. This class is barefoot and full of fun!

### Music n' Motion (2 weeks to 2 1/2 years)

Share in the excitement as your child discovers rhythm, coordination and self-expression. Parents and infants focus on movement skills that aid in gross motor development through song and rhyme while older children sing, play games, stretch and increase self-confidence with the support of loved ones. Participants must wear comfortable clothing and tennis shoes.
