

From your child's first steps, to their graduation performance....

Tamara Howe School of Dance (THSD) has built a reputation for excellence in dance instruction! THSD has a class for everyone. We specialize in beginners of all ages and offer training through pre-professional levels. Our classes are taught by caring, skilled teachers in a positive environment. We delight in your child's progress and performances! Our costumes and choreography are always age appropriate and your child's safety and wellness has always been our highest priority.

*We don't teach kids to make great dancers,
we teach dance to make great kids"*
—Misty Lown

At THSD we aim to help our students achieve excellence in **DANCE + LIFE**. That is our More Than Just Great Dancing® philosophy and at this time in history, that's more important than ever before!

Dance meets imperative student needs for community, socialization, friendship, mentors, physical activity, and more! The benefits of dance include, but are not limited to: intellectual, academic, social-emotional, and physical support.

At THSD, the **health and safety** of our students, staff, guests, and communities have always been our highest priority; a commitment that has only been heightened at this time. That's why we have used local guidelines and our national Safer Studio™ standards.

We have **3 convenient ways** to dance this season:

- ✓ Weekly In-Studio Classes
- ✓ Zoom into Class (by request only)
- ✓ Private Lesson Packages

Registration begins on Wednesday July 21st. Class space is limited so enroll early!

As you look at our calendar, you'll note that we have included two inter-sessional breaks to allow for greater programming flexibility should that be needed this year. Please note that class times and offerings may shift as things progress. We are planning on concluding our season with a Spring Showcase in May at the Stiefel Theatre.

In addition, all of our studios are tech enabled for the best student experience. Should your dancer require time out of the studio, they will be able to participate and feel like they are right in the studio!
